LIVINGSTONIAN

Kenneth Crotter

THE SENIOR CLASS OF 1964

PRESENTS

THE SEVENTH VOLUME

OF THE

LIVINGSTONIAN

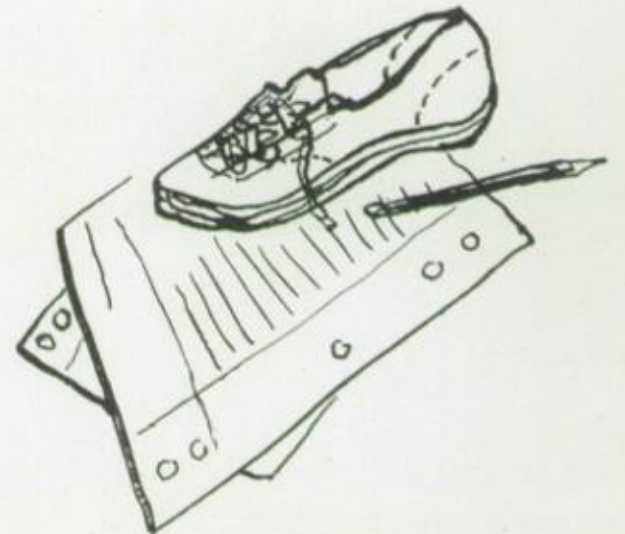

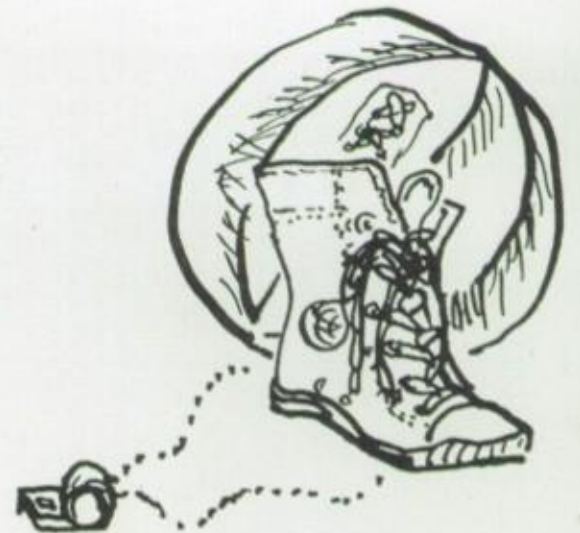

LIVINGSTON CENTRAL HIGH SCHOOL

BURNA, KENTUCKY

Foreword

We, the annual staff, hope that as you look through the pages of the Livingstonian, you will recall the steps you took this year. We hope to remind you of those basketball games, the first big dance, or your moment of glory as a majorette. You may also recall the long band sessions and the homework you did. The shoes you wore on these occasions will soon be discarded, but the memories and the footprints of them will linger on. In the words of Longfellow:

"Lives of all great men
remind us
That we can make our
lives sublime
And departing, leave
behind us
Footprints on the sands
of time."

Dedication

We, the class of 1964, wish to dedicate our Livingstonian, to our principal, Mr. Hardin, for his work as administrator, counselor, supervisor, and a friend.

MRS. JENNY BUSSEY - MR. KENNETH CROTSER

The Student Council is the Number One organization of the school. Its principal purpose is to bring about better relations between the students and the faculty. It helps to decide school policies and contributes in many ways to the welfare of the school. The officers are elected each spring for the following year by the students; the representatives of the various classes are chosen in the fall. Each month the Council chooses a "Citizen of the Month" to help promote citizenship among the students. It also operates a coat check at the ball games. To belong to the Student Council is a coveted honor, and its membership consists of the outstanding students.

Senior Beta Club

The Livingston Central Chapter of the National Beta Club, an honor society, has seventy-two members. To become a member, a student must have a standing of 2.2 (B+) and be recommended by the principal. Only Seniors, Juniors, and Sophomores are eligible for membership. The club operates the concession stands at ball games and, with the proceeds, buys needed equipment for the school. The Beta Club's chief purpose is to render service and foster leadership. Its members are expected to serve, both in the school and in their respective communities. Beta members are the future leaders of society.

Junior Beta Club

The Junior Beta Club of Livingston Central is made up of Freshmen who were members of the Elementary Beta Clubs of the county. They are a separate unit under the leadership of the Senior Betas. They elect their own sponsors from the senior club and hold separate meetings. They also assist the Senior Beta Club in any way possible, such as working in the concession stands and holding doors. They cannot automatically enter the Senior Beta Club from their club but must first make the required standing in their Freshman year. This club has approximately twenty-five members. Several were not present when this picture was taken.
